1	At least one. Or put up cameras to fine the nonpooperscoopers.	8/30/2021 10:16 PM
2	Every park should be dog-free. Unleashed dogs harass and attack people and leave feces everywhere, and owners cannot be trusted to keep their dogs on-leash.	8/30/2021 1:05 PM
3	It would be helpful if doggie waste bags and trash bags were available along the paths. Kentwood does this at Kellogg Woods because the dog park is wayyyy down the path and dogs go to the bathroom before they get to the dog park. (Actually they have them on one side but need to have them on both entrances.) Is this still a thing where dogs are not allowed at Pinery Park?? I am floored! And breed restriction is absolutely ridiculous. And what we also need is Animal Control or Police ticketing dog owners that have their dogs off-leash.	8/29/2021 9:38 PM
4	There are many parks dog owners can take their pets to, and it's only part of the year that the park would be dog-free.	8/29/2021 9:25 AM
5	As long people obey the rules for pets	8/27/2021 12:48 PM
6	All city park should be dog free except for one doggie park	8/27/2021 7:11 AM
7	Dog bans don't make sense. We love our pets and need space to walk them.	8/24/2021 11:46 PM
8	Continue keeping parks dog free. Use a dog park for dogs. Too many owners do not pickup waste after their animals.	8/24/2021 8:43 PM
9	If people are uncomfortable with dogs, they can find other places to walk. (I do not own a dog myself) It seems to be more of an issue for specific people and the whole city shouldn't have to adapt because of their issue.	8/24/2021 3:18 PM
10	If the need is there I'm ok with it. I'm a dog owner.	8/24/2021 1:11 PM
11	It should be for all the parks as long as they are leashed and owners clean up after them.	8/24/2021 6:31 AM
12	Dogs are apart of peoples families if they go to the park the want to spend time with there	8/23/2021 11:32 PM

family. Maybe Wyoming should look into putting in dog parks within a few of our local parks to make them even more pet friendly.

13	The presence of Dogs make people more sociable to each other.	8/23/2021 8:11 PM
14	Pick any day of the week there are not that many dogs in the parks. They are easy to avoid and from my observations their owners do a good keeping them leashed and pick after them. Also parks draw from near by neighborhoods so those near pinery have to travel to get to a park to walk dog in	8/23/2021 5:19 PM
15	If it is it should not be Pinery Park. It has a great walking trail that I miss using with my pup.	8/23/2021 5:01 PM
16	There r people that don't visit parks because dogs r allowed to run free and they r terrified! Or allergic	8/23/2021 2:29 PM
17	All but designated dog parks.	8/23/2021 2:13 PM
18	dogs are members of the family. NO dogs means no one with dogs come to this park. So who does?	8/23/2021 1:11 PM
19	It would be great if there was at least a small dog run/area at the majority of the parks. a lot of families have pets and would like to enjoy the park with them.	8/23/2021 12:38 PM
20	If all dog owners were responsible, trained/controlled their dogs, and cleaned up after them, this would not be a problem. But they're not. I should NEVER have to clean someone else's dog's poop off of my or my children's shoes! I should NEVER have to fear for my or my children's safety from an uncontrolled dog while walking paths or playing at the playground!	8/23/2021 11:08 AM
21	Yes, I fully support having one park being dog free for the reasons above.	8/23/2021 9:20 AM
22	As a pet owner and pet sitter it would be wonderful to have a city park or multiple parks designated for dogs. These days so many families have dogs and dog parks are few and far between.	8/23/2021 9:02 AM
23	Please consider making more than one park dog free.	8/23/2021 7:33 AM
24	As long as they are leashed and cleaned up after there should no restrictions	8/23/2021 7:18 AM
25	But leashes are a must	8/23/2021 6:55 AM
26	Parks where there are young children and parks where there is a track, I prefer no dogs. We walk the track and my child is afraid of dogs and sometimes when we are there, people bring their dogs anyway and I foresee a dog getting loose and attacking someone. It makes us feel very uncomfortable because people dont pull their dogs back far enough from us as they are walking and we ultimately would stop going to the park if dogs are allowed there. We've seen dangerous breeds and turned back around ro the car. It would be nice uf people just learned to follow rules for the safety of other people.	8/23/2021 1:25 AM
27	Yes for all of the original reasons but struggle with the idea of it being Pinery. We would have brought our dog with us to our sons ball games if we could have	8/22/2021 11:39 PM
28	It's nice to have a "safe" place for those with allergies or fears to be able to go enjoy park life.	8/22/2021 10:46 PM
29	Im okay with having a dog free park, but pick one that isn't as popular and is less used.	8/22/2021 10:38 PM
30	I think its like telling someone not to bring there kids places. I think we should welcome anyone that wants to bring a dog. People already cant bring them in restaurants movies ect	8/22/2021 9:58 PM
31	For those allergic or afraid of dogs, having 1 park in the city that's dog free would provide them with a worry free outdoor public space.	8/22/2021 9:39 PM
32	Parks should be a place for everyone to enjoy. Too many rules ruin it for everyone.	8/22/2021 9:35 PM
33	Why? Aren't parks supposed to be for families to relax and have fun. Dogs are part of the family	8/22/2021 9:32 PM
34	I actually think ALL but 1 or 2 parks should be dog free.	8/22/2021 9:31 PM
35	Dogs are a part of our family. There are women that cannot have kids and they get a dog. As a fur mom myself, I need to see my fur baby ply with other fur babies like I see my son playing with other kids!	8/22/2021 9:16 PM

Wyoming Parks & Recreation - Dog Restrictions

36	I think this should only be the case if owners again prove that they cannot control and/or clean up after their dogs	8/22/2021 9:13 PM
37	KEEP PINERY DOG FREE	8/22/2021 9:12 PM
38	many people are relying on their dogs as emotion support animals in these trying times. Dog ownership has increased dramatically in the last 24 yrs. Pets have become family members. Some people rely on their pets as motivation to get out and exercise, pinery park, with its mile long round track is perfect for this. This rule needs to be repealed.	8/22/2021 8:29 PM
39	Some people just don't like dogs. Let those people have their own space.	8/22/2021 8:06 PM
40	As long as they are on a leash and the owners pick up the poop they should be allowed at any time in all parks	8/22/2021 7:59 PM
41	Yes, move it to a park that's small in size.	8/22/2021 7:58 PM
42	Parks should all be dog friendly, if it's outside and a public park it should be open for all dogs. People need to take responsibility for their dogs and by prohibiting dogs isn't fair to those who are responsible	8/22/2021 7:54 PM
43	Service dogs are a thing, and so are emotional support animals. As well as just family members	8/22/2021 7:48 PM
44	All parks should be able to be used by all residents.	8/22/2021 7:41 PM
45	Pinery Park, but no dangerous breeds and must be on leash	8/22/2021 7:33 PM
46	parks are great places to walk your pet. Owners should be responsible.	8/22/2021 7:20 PM
47	I don't see the need for a park to be "dog free" - just more important for dogs to be kept on their leash.	8/22/2021 7:20 PM
48	One should be enough OR areas of several parks for dogs and other areas restrict them.	8/22/2021 7:19 PM
49	If the dogs are leashed and the owner picks up after the dogs why should there be laws to deter people from getting out walking.	8/22/2021 7:16 PM
50	Unless people aren't cleaning up after their dogs.	8/22/2021 7:16 PM
51	Our city is in need of more dog friendly play spaces so could we look at adding a fenced dog park along with a couple of poo specific trash bins?	8/22/2021 7:15 PM
52	Parks are public use. People who have dogs in apartments need places to walk their companions for exercise	8/22/2021 7:14 PM
53	Pets are family and should be allowed every where	8/22/2021 7:12 PM
54	Everyone pays taxes so all parks should be accessible for people with or without pets.	8/22/2021 6:54 PM
55	parks should be for everyone / many of the Wyoming homes do not have much for a yard - it allows people a place to walk their dog - I live by Lamar park - many people use the park to walk their dogs - they have them on their leash - I can't say that I have ever had a problem with anyone and their dog - it's a great way for people to get out	8/22/2021 6:47 PM
56	An elderly person that may live right next door to that Park won't have a place to walk their dog if they don't have the ability to get by to other parks	8/22/2021 6:40 PM
57	In most families (Like mine) their dogs are part of their family.	8/22/2021 6:24 PM
58	I know many people that walk their leashed dogs and enjoy the parks	8/22/2021 5:26 PM
59	So my kid and dog has to play at different parks!?	8/22/2021 5:23 PM
60	Why because families usually go to the park that is nearest them. And this would discourage them from visiting the park as a family with a pet.	8/22/2021 5:02 PM
61	Dogs should be allowed on a leash and excrement is picked up.	8/22/2021 5:01 PM
62	Dogs should be able to go to the park an have a good time with their owner	8/22/2021 3:50 PM
63	Why?	8/22/2021 3:27 PM

Wyoming Parks & Recreation - Dog Restrictions

64	But they should be on leach and picked up after	8/22/2021 3:11 PM
65	Too many dogs being walked without leashes. My neighbor's small dog was attacked by pit bull. Owner had to jump into the pit bull dog to stop it.	8/22/2021 3:04 PM
66	I would like to see more dog-free parks	8/22/2021 2:33 PM
67	Actually - I think it would be much less confusing to have it be ALL YEAR - the temporary nature of this lends to the confusion/frustration.	8/22/2021 2:12 PM
68	Great idea	8/22/2021 2:06 PM
69	I'm a dog owner but understand that not everyone likes dogs, some people are genuinely afraid of them	8/22/2021 1:56 PM
70	Dogs are best friends of humans. Should be able to be with best friends	8/22/2021 1:55 PM
71	I think all parks should have a area where dogs aren't allowed.	8/22/2021 1:52 PM
72	If people are afraid, there could be a dog-free zone implemented.	8/22/2021 1:02 PM
73	Some people/kids are scared of dogs	8/22/2021 12:37 PM
74	Have a dog park available instead and enforce leashes on the other parks	8/22/2021 12:12 PM
75	Pinery has such a great walking trail easily accessible, in the city, etc. Please keep it dog free	8/22/2021 12:04 PM
76	No, but the pets SHOULD be on a leash	8/22/2021 11:08 AM
77	I won't go to it because my family would not be welcome, but non dog people deserve a peaceful place for themselves	8/22/2021 11:07 AM
78	Fines for not picking up or being leashed.	8/22/2021 10:35 AM
79	My dog loves going to the park	8/22/2021 10:24 AM
80	Dangerous breeds should be banned from all parks.	8/22/2021 10:19 AM
81	People bring their dogs anyways, so it really doesn't matter.	8/22/2021 10:16 AM
82	I was attacked by a pit bull that was not leashed along the Buck Creek Trail. Some people do not clean up after their dogs their either. I go walk Calvin Eco Systems because no dogs are allowed there.	8/21/2021 10:17 AM
83	I'm a dog owner and if I lived right by the park involved, I may not like it, but also understand that there are people that fear dogs and would appreciate it.	8/21/2021 7:18 AM
84	It would be nice if everyone followed the rules and kept dogs on leash at a city park. Some dogs do not do well at dog parks.	8/20/2021 2:25 PM
85	Because not everyone takes care of their dog poop	8/20/2021 12:52 PM
86	Dogs should be allowed on a 6' leash	8/20/2021 12:42 PM
87	Our parks are large enough that people can find a spot away from leashed dogs.	8/20/2021 10:46 AM
88	All dog owners are not respectful of others and some have a reasonable fear of dogs.	8/19/2021 8:54 PM
89	Dog allergies and fears. Need a safe place to walk	8/19/2021 8:33 PM
90	But need police to enforce on leash and pick up poop laws	8/19/2021 8:14 PM
91	I walk weekly at Pinery park and like that there are not a lot of dogs there on the path when walking or jogging or else I would feel like I was on the kent trails.	8/19/2021 7:48 PM
92	It would be a nuisance and potentially dangerous for little league participants in Pinery.	8/19/2021 6:13 PM
93	No, having available dog waste bags and trash can makes every park dog friendly	8/19/2021 5:46 PM
94	Dogs can be dangerous and kids should be able to play w/o that risk	8/19/2021 5:01 PM
95	What about choosing part of the day that is dog free in one park, Mornings dog free, afternoons dogs welcome.	8/19/2021 5:00 PM

Wyoming Parks & Recreation - Dog Restrictions

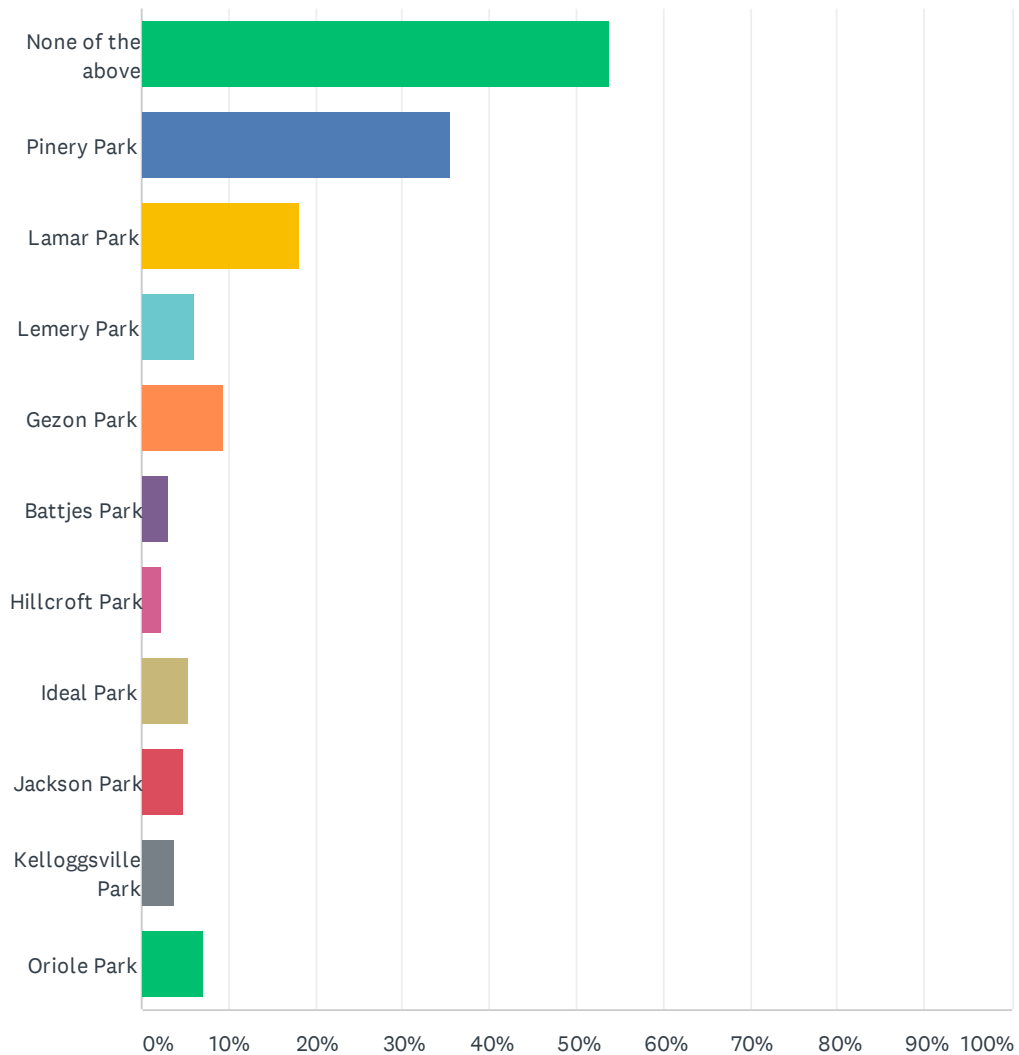

96	No all parks should allow dogs. Owners should be fined if dogs are off leash, defecation is left, or dogs ate not licensed. It is absolutely disgusting people allow their dogs to poop near childrens play equipment so maybe regulations on keeping dogs certain distances from play equipment also and fir safety.	8/19/2021 4:54 PM
97	With leash laws in place, there is no need to prohibit dogs from being in the parks.	8/19/2021 4:50 PM
98	I'm allergic to dogs, and dog owners can take over a park!	8/19/2021 3:52 PM
99	People bring there dogs on the athletic fields and the dogs shit all over where the kids play on those fields.	8/19/2021 3:35 PM
100	Sometimes dogs aren't trained well or looked after. The Summer months are when children and families shouldn't have to worry about bad training or 0 clean up.	8/19/2021 2:36 PM
101	Some people are allergic to dogs and it is completely unfair to them.	8/19/2021 2:13 PM
102	I recommend choosing a park big enough to have a dog-free zone, but people living near a park should be able to bring their dogs as long as they follow the leash laws and clean up after their dogs.	8/19/2021 1:57 PM
103	For the entire year!	8/19/2021 1:19 PM
104	I have a dog and love the dog park! There should be a place for people to go who for what ever reason don't wish to be around dogs.	8/19/2021 12:53 PM
105	We live right next to Pinery Park and hardly ever go there to walk because we can't take our dogs there. Very frustrating. We are responsible dog owners who pick up after our dogs and keep them on the leash.	8/19/2021 11:52 AM
106	Dogs should be allowed in all parks as long as owners are picking up after the dogs and dogs remain on a short leash. There are enough workers around Pinery Park to know when owners are not picking up after their dogs. Putting multiple trash containers specifically for dog refuse, with bags available would significantly help with the refuse issue.	8/19/2021 11:51 AM
107	If the parks could implement/enforce leash laws dogs shouldn't be a problem anyway. Add bags and trash cans to help with lean up.	8/19/2021 11:46 AM
108	I don't think it will matter if it's dog free or not. Nobody follows the rule anyway.	8/19/2021 11:39 AM
109	Not everyone is comfortable with dogs around.	8/19/2021 11:12 AM
110	dogs are such a part of our lives! they need to socialize as much as people do :)	8/19/2021 11:08 AM
111	Only one	8/19/2021 10:59 AM
112	Dogs can be scary to a lot of people, especially kids who don't have one. And most dog owners aren't that respectful in public, in my experience.	8/19/2021 10:45 AM
113	Off leash dogs are my number one safety concern at Oriole Park. My small dogs and I are attacked at least once a year, twice with injuries. It's nice to know there is one park where folks can go--especially with all the ballgames that happen at Pinery	8/19/2021 10:25 AM
114	I love dogs and wish all parks were open to them but...I feel for safety of older people with limited space on the trails it's best to have Pinery Park stay as is. Best location by the senior center and senior housing.	8/19/2021 10:24 AM
115	With the amount of house holds having dogs as family members and therapy dogs it's had to pick one park.	8/19/2021 10:13 AM
116	A dog is part of your family You're losing out on guests and visitors and at the end of the day money !!	8/19/2021 10:05 AM
117	No off leash but leashed at all parks	8/19/2021 9:58 AM
118	Not necessary seeing we maintain a dog park	8/19/2021 9:53 AM
119	Personally, most ciry parks should be dog free unless strict leash requirements are enforced. Far too many people let their dogs run free or on very long leashes at Lemery Park and Buck Creek Trail.	8/19/2021 9:50 AM
120	People enjoy walking their dogs in the parks and taking them when they take their kids.	8/19/2021 9:37 AM

Wyoming Parks & Recreation - Dog Restrictions

121	But there has to be consequences for those who don't leash their pet or clean up after them	8/19/2021 9:32 AM
122	Properly leashed dogs should be permitted at any and all parks.	8/19/2021 9:29 AM
123	Do we keep certain parks "kid free" because of irresponsible parental supervision of their kids? No? Then we should not do a similar thing with people's dogs.	8/19/2021 9:27 AM
124	Yes, but a less used, small park.	8/19/2021 9:22 AM
125	I don't see a problem with dogs at the parks if dog owners would follow rules, pick up after their dogs and have your dog on a leash at ALL times.	8/19/2021 9:21 AM
126	No dogs are family members and should be allowed at parks with their families. Dog poop bags should be provided so people can clean up after their dogs.	8/19/2021 9:20 AM
127	People bring their dogs nonstop to pinery park throughout the entire baseball season which is the time when they are prohibited through the park. It doesn't ever seem to be an issue that they are dogs there & they should be allowed to come	8/19/2021 9:20 AM
128	Many people like to take their dogs for a walk.	8/19/2021 9:14 AM
129	Some children and adults are very frightened of dogs. I feel they should have one park set aside for them.	8/19/2021 9:12 AM
130	I think dogs on leash should be allowed. The bigger issue is that the police need to enforce the dog ordinance - fine people who don't have dogs on leash or don't clean up after their dog.	8/19/2021 9:11 AM
131	I believe if the dog is on a leash then it should be allowed.	8/19/2021 9:09 AM
132	Not everyone likes dogs. Not every dog owner picks up after their dogs. My son is terrified of dogs and it's nice to be able to go somewhere that we don't need to worry about it.	8/19/2021 9:06 AM
133	Dogs are family members. Dogs can be keep leashed for safety.	8/19/2021 9:05 AM

Wyoming Parks & Recreation - Dog Restrictions

126	I choose none. If you have a problem with dogs stay home. Dogs need socialization, and activity. If you don't like that find a new park. Typically a dog park is gated as well.	8/22/2021 10:42 PM
127	I don't know all park layouts to pick a viable option so i picked none of the above.	8/22/2021 10:38 PM
128	None should be dog free	8/22/2021 10:32 PM
129	Pinery has a lot of Little League games. Lots of young kids running around. It is nice not having to worry about dogs during the games.	8/22/2021 10:23 PM
130	In this day and age with people having therapy pets and owners being more responsible it would be more responsible to have dog free hours than a dog free park all together. I don't get to enjoy our favorite park because as a parent that has kids who wants their dog to walk with them we can't enjoy the walking trail at Pinery. Nor have a family gathering at the park which has more shade than other parks. If anything's having a free dog park would be more ideal. Paying for the small area to run in when in other areas we can enjoy a free park with a bit of a ride such as Thornapple doesn't make sense. The dogs have a nice area to run at this large park off leash and the rest of the park have to be leashed. It works. Why not do that at a few of our parks.	8/22/2021 10:23 PM

137	All parks should allow dogs.	8/22/2021 10:10 PM
138	Because I know they're used by a lot of people. I have 2 dogs but would never bring them there. Those parks have sporting events and other events that dogs don't need to attend.	8/22/2021 10:08 PM

140	So many people utilize the walking trail and the little league facilities. Dogs are mostly friendly, but it only takes 1 dog biting a child for a lawsuit to happen. I just feel with the large crowds that gather here on a regular basis, it is not smart to add in dogs. Plus people are not good at picking up after them and people may stop using the trail of they have to dodge piles of poop.	8/22/2021 10:06 PM

490	Both of these parks have high traffic volumes in terms of use by both regular park-goers and people attending other events held at these parks including Little League games at Pinery Park and Concerts in the Park at Lamar Park. Events bring together people of different backgrounds and experiences who may or may not be comfortable around dogs (or other pets). In addition to being stressful to humans, it could be stressful to dogs who are not used to large (often loud) crowds. Unfortunately some less experienced pet owners may miss signs of stress in their pet, leading unintended situations.	8/19/2021 3:39 PM

I think Pinery Park has such a nice walking trail for humans and their pets that it is a shame not to utilize it for that. I strongly support only on a leash though and penalties for not following that rule.	8/19/2021 9:13 AM
610	Pinery Park is a popular walking and running trail, and while I've seen some people taking care of their pets, I've also seen others not respect the date restrictions or I've seen dog droppings along the trail. 2	We would LOVE to see more DOG PARKS. It seems every time there is an opportunity for a new park, a survey goes out and everyone wants yet ANOTHER water park. If we have more dog parks, we'll have less reason for us to go to "regular parks" and this will solve ALL problems! Thank you.	8/29/2021 9:38 PM
3	I use Pinery regularly and appreciate the dog-free part of the year. The dogs are fine, but more owners are not leashing or keeping control of their pets. I have repeatedly almost been tripped up by dogs who are leashed but their owners allow them to jump in front of me as I'm trying to train. 49	I was walking at Oriole Park through the early months of the pandemic and the issue with dogs off leash and feces not being cleaned up was out of control. People do not care that it is the law. I called the city and complained numerous times. People were literally walking with a leash while allowing their dogs to run free. I think it's an insult to anyone who truly wants to enjoy a park and not look at dog waste or be jumped on by dogs that owners refuse to leash and keep under control. I finally stopped walking there after it became evident that it wasn't going to change. The parks belong to everyone and dog owners should be restricted to dog parks only.	8/23/2021 2:13 PM

63	You can tell people all day long to clean up after their dogs, you can post signs every ten feet, but look at every park that allows dogs and you will find "land mines" everywhere. People are lazy and don't listen, it's sad but true, this is why there MUST be dog-free parks!	8/23/2021 11:08 AM
64	The parks that don't have dog restrictions are not infested with dogs, don't have dog waste everywhere, and I, at least, have never been or seen a dog attack there, and certainly not enough to restrict dogs. Pinery Park doesn't drop in quality when dogs arrive. It doesn't get any dirtier than it already is. And frankly, it should be the responsibility of the Parks and Rec department that the park remains clean and safe, from people as well as dogs.	8/23/2021 10:45 AM

66	Breed restrictions should not be allowed as that shows the willingness to follow the fear and ignorance of people who are not willing to learn or listen to others. The only dog related rule i believe should be in place is to keep dogs on leashes regardless of their size or breed. Most often the instigating or problem dogs are the small ones that owners make excuses for allowing their bad behavior. Small, yappy, and unleashed dogs are typically the ones who run over to other good natured and on leash dogs and then start the fight by biting. To make things fair all around, all dogs need to be leashed in public unless inside a fenced in dog park.	8/23/2021 10:08 AM

69	I would recommend that any park the does allow dogs to be adequately supplied with poo bags and trash cans to dispose of poo. One of the biggest flaws that allow dogs is telling owners to clean up after their pets, but not having the adequate spaces for owners to dispose of the waste.	8/23/2021 9:20 AM

72	We have lived on the border of Gezon Park for 19 years. In that time we've never been able to walk in Gezon park without having to watch out for dog doo. We have to always watch where our grandchildren are walking so they don't step in it. Most owners walking with their dogs see the park as an opportunity to let the dogs run free. We have numerous incidents over the years where our grandchildren have been so scared by dogs that run up to them. Dogs have run through our yard while the owner tries to call them back. Laws have been made concerning these issues, but there is absolutely no way to enforce or police these problems. We know there are dog owners who use the park as a dumping ground for the pets to use to do their business. We know there are responsible pet owners out there who do the right thing, but the others who don't care, ruin it for everyone. We would love to be able to walk through the park and not have to worry about where we are stepping or if some dog is going to chase us.	8/23/2021 7:33 AM

Maybe make only a certain part of Pinery park dog friendly so there is still areas where others can go if they do not want to be around animals. That way the people who do have pets, they want to walk, aren't turned away. We only have a dog at this point in our life and since we can't bring her there we will never visit that park. 257	Every time I bring my kids to the park, anyone that has their dogs are always respectful. Even if they have their dog off leash, I haven't seen one that they couldn't call back immediately. My kids enjoy seeing the different breeds when they go. As well as sometimes being able to learn more about the breeds as well as even playing with a few. Dogs need to be able to exercise. Not exercising your pets can be terrible for them, you, and the neighborhood when they are outside barking consistently all day and night.	8/22/2021 1:22 PM

woman walking alone. I spoke with someone from the Parks & Rec department and was told that the ban is not enforced so why even have it? I have further been frustrated by the frequency with which I drive by and see people walking their dogs but my conscience doesn't let me just disregard the rule. I can't express how happy I would be if this rule were changed!!! It makes no sense and I am certain it caters to a tiny minority of Wyoming citizens. Please, please, please let us use our park year round! And perhaps consider installing the dispensers that hold the green poo-disposal bags that I have seen at other parks. I appreciate that you have been providing garbage cans year round, not just in the summer as you used to do. I love my park and appreciate all you do to keep it so clean and green. Thanks.

371	I know it's logistically hard to enforce leash laws & barking dogs. Perhaps we could designate 3 specific parks you CAN bring your dogs to where an officer or someone official could be posted, kind of like a life guard at a pool, along with posting dog safety rules. People using the park would know up front that they must follow the rules or be asked to leave and/or get a citation. Kind of wish they had a dog referee at our dog park. I stopped going there because some owners didn't have control over their dogs. They were really nice people who cared. But most of my time was spent protecting my dog. He played fair and wanted other dogs to comply. He didn't start fights, but being a Canaan he could easily end them. I worried about being sued. Dogs should never, ever be introduced to each other by being set free. Socially it invites confrontation. Ideally, a group walk is the best way. When someone wants to enter, everyone should leash up, go to the gate, then do a "pack walk" with the new comer in a big circle around the perimeter. Yeah, tall order, but I used to dog sit at my house in Rockford and this works.	8/19/2021 12:04 PM

391	Signage and enforcement of off-leash violations is not happening. If you read Nextdoor, you will see people who are being terrorized by off leash dogs every week at parks. There are a lot of responsible dog owners who should not be restricted in park use--but I would say off leash dogs at the park pose more danger to my health and safety than any other thing in my neighborhood--yet the Parks Dept and police do NOTHING about it. I am considering getting a dog taser, which might only escalate things. My small dogs and I have been rushed by a German shepherd, loose labs, and outright attacked by a rottweiler all while the owners said, "he's a nice dog. He won't hurt you."	8/19/2021 10:25 AM

I would to have the restrictions lifted and would use the trail often with my dog and kids.	8/19/2021 10:15 AM
397	If Pinery park closest to a school than that would be my reason. There is no park that doesn't have family dogs or therapy dogs within that neighborhood, it's hard to pick one park. The leash law needs to be enforced more, or crest more dog parks. The City of Wyoming is big enough to have more than one off leash dog park with the amount of dogs licensed in the city.
